Greetings HPOA Board of Directors,

As you recall from our last meeting, we had a presentation from Jessica Wackenhut of YPI, briefing us on the work being done to undertake a community needs assessment for this area, in preparation for possible awarding of a $30M grant from HUD for this community.

It is very important that they have the proper information about the demographics and needs of this area, and we encourage anyone who can attend tomorrow's meeting to please stop by. Up to now, the information from the business community has been rather limited.

Kerry

Subject: Choice Taskforce Meeting Tomorrow 4-6pm!
Good Morning,

This is a friendly reminder that we will be having our last Choice Neighborhood Taskforce Meeting tomorrow: Wednesday April 29th, from 4:00pm-6:00pm. We will be convening all three taskforce groups -Housing, People, and Neighborhood- to provide input on our draft transformation plan!

In addition, our USC Practicum Team will be presenting their economic study of the Choice Neighborhood!

The meeting will be held at:
Hollywood Beautification Team office
1741 N. Cherokee Avenue
Hollywood CA, 90028

Street parking is available, although very limited, so please carpool if possible and allow some extra time to park. This location is also within a 10-15 minute walk from the Hollywood/Highland Metro Red Line Stop.

We hope to see you there!
